About Suryadatta Education Foundation

The Suryadatta Education Foundation, SEF, is a charitable trust registered with the Registrar of Societies, Government of Maharashtra. The Suryadatta Group of Institutes was incepted in the year 1999, under the aegis of the Suryadatta Foundation in Pune, the Oxford of the East.

The Suryadatta family has blossomed into a bouquet of academic institutions in various disciplines such as Information Technology, Management, Media & Mass Communication, Hospitality, Travel & Tourism, Bio-Informatics, Bio-Technology, Retail, FMCG, Telecommunication, Services; IT enabled services, Creative Arts, Vocational & Advanced Studies. Suryadatta has students from many countries and from all parts of India pursuing their education in different streams at various Suryadatta Institutions. Each Institute of the Group is strategically located in the heart of the city and has a dedicated campus providing an enlightening and inspiring, academic ambience.

Each Institute is spearheaded by well qualified, experienced Directors/ Principals. The faculty is a rich Academic – Industry mix, many having international exposure. The ethos of Suryadatta is 'Enlightening & Disseminating knowledge for Prosperity'. Over the years, Suryadatta has been ranked as overall 'A' Category, Top 50 B-School in India for 16 consecutive years, by the Leading National Surveys.

About the Conference

Management Knowledge and Technology becomes obsolete very fast. Thus, it is of utmost essence and significance for each and every person associated with the management to update himself with current trends in General Management and Information Technology and also with the application of latest Information Technology tools and techniques. Once these current trends are known, it would be easy to search for their additional and alternate practical utilities and applications. The Institute has attempted its all the best to invite the experts from Academics & Industry so that there would be a combination of theory & Practice. Industrial speakers would acquaint the participants with several solutions in practical situations which would not only act as an empirical evidence but also as a learning platform. After attending this conference the participants will be well acquainted with Current Trends in General Management and Information Technology with the application of latest Information Technology tools and techniques.

Scope of the Conference

The scope of the conference is deliberately kept very wide and broad in the sense that almost all the fields of Management are covered within the ambit of the Conference sub themes. This would certainly facilitate all the Business Stakeholders to select any field of their choice and liking.

Objectives of the Conference

1. To develop acquaintance with current trends in management and Information Technology.
2. To study the application of latest IT tools and techniques.
